

# HIGHLIGHTS

#### FROM THE OFFICE

Oki! Our Spring production, "Together", being performed on May 4 will showcase the fine arts program and will provide an opportunity for celebration and enjoyment in our community. As well, we are celebrating Mental Health Week and students are encouraged to wear a hat on Wednesday, May 3 for Mental Health Day. All classrooms will be participating in a mood walk that day.

Our school is honored to be hosting an Indigenous Day of Learning on Wednesday, May 10. We will begin with a school-wide assembly which will include a Blackfoot blessing, smudging ceremony, and round dance. Students will also have an opportunity to engage in a variety of activities throughout the day to learn more about Indigenous culture.

Lastly, I would like to invite all parents to our school council meeting on Tuesday, May 16, which will be held in the Learning Commons.

Kindly, Connie
